

## Parking and Shuttle Information for 2019 SWEPSYM

Parking will be provided at the Revelle College parking lot P102 on UCSD main campus (along Scholars Drive South near Revelle College Drive). Parking permits are included in the registration fee. Parking attendants will be passing out parking permits from 7:45 am to 9:15 am for you to display in your car. Your visitor parking permit entitles you to park in the spaces designated as Visitor (V), Student (S), or Staff/Grad Students (B).

We will have two UCSD passenger vehicles available at the beginning and the end of the meeting running between the parking lot and Scripps Seaside Forum. At other times, the free SIO Shuttle (UCSD shuttle for Scripps) will be available. Allow an additional 30-40 minutes if you are using the shuttle; the shuttle picks up and drops off every 30 minutes during the day.

Parking is limited. We would recommend if you have the option, it would be easiest to take a hotel shuttle (check with your hotel) or ride service.
